1) The next is the notice of the pneumonia vaccination injection.

Pneumonia is a disease that may become severe if it affects the elderly. For this reason, the government subsidizes part of the cost of preventive vaccinations for people who will be 65, 70, 75, 80, 85, and 90, so they can receive it for 3,000 yen per person. Those can receive preventive injections by March 31st 2024. It is free for people who are exempt from citizen tax and those who receive protection for their livelihood. For inquiries, please contact the Health Division of the city hall at 0463-55-2111.

2) The next is the notice of cancer and tuberculosis screening.

In Hiratsuka City, we will be screening for stomach, colorectal, uterine, breast and tuberculosis this year. Those who are eligible have already received the information on the examination.
